Dear Owner;

The Weber Morgan Health Department and local law enforcement agencies want to congratulate your retail store! On our most recent Underage ENDS Compliance Checks one of your employees refused to sell an e-cigarette product to a minor. The Underage ENDS Compliance Check at your retail store occurred on 3/3/15 at 5:21 PM. Below is the name or description (if they were not wearing a name tag) of the employee on shift at the time of the attempted purchase. We encourage you to reward the employee that did not sell.

We appreciate your compliance with state & local laws & regulations regarding underage ENDS sales to minors. We commend both you and your employee's responsible efforts. By requesting I.D. from underage buyers, you help us achieve our goal of reducing adolescent nicotine addiction and use in our county

If you would like more information regarding Utah's tobacco/ENDS laws, educational pamphlets, "We I.D. Everyone" retail education materials or have a question, feel free to call me at 399-7184 or visit <http://www.tobaccofreeutah.org/retail.html>.

Sincerely,

Kristi Jones
